A Word From the Chief

Arrowmen of Section G4, with the new year in full swing there are tons of events to look forward to in the upcoming months. One of those events being the National Leadership Seminar, an extremely beneficial leadership session, coming up in March. I highly encourage you all to attend if you have not already. Then April 29th-May 1st is our Section G4 conclave, which will be hosted at Camp Rockefeller, located in Damascus, AR. There will be vendors, games, movies and special guests. ITS AN EVENT YOU DONT WANT TO MISS!!!

Lodge Spotlight

Ma-Nu Lodge

Ma-Nu lodge has its upcoming LLD in February, featuring lots of classes and the 2021 Southern region chief, as well as our Lodge Trade-o-ree at our council office coming up in March. We hope to have a big attendance at both of these events. We also plan on having two Ordeal weekends in different parts of the year to induct as many arrowmen as possible. With Conclave and NOAC later this year we plan on having a big representation in the OA. Ma-Nu Lodge has big plans in store for 2022!
